

### Bacon Fat Labs Steel Target Stand - Bill Of Materials

Quantity	Description	Notes
3	8' 2x3 whitewood fence rail	The extra 4 foot piece is GREAT to keep for eventual repair!
1	2x6 board	Use scrap if possible, should be long enough to yield 2 14" pieces.
4	1/4" diameter 4" length eye bolt	Longer eye bolts required if countersinking is not performed.
4	1/4" Fender Washer	Around 1 1/4" O.D. Home Depot has these stamped "AJC"
4	1/4" flat washer	Around 3/4" O.D.
4	1/4" lock washer	
8	1/4" nut	Home Depot has eye bolts with 1 of these included, need 4 additional
4	3/8" diameter 2 1/2" length hex bolt	Longer required if not countersinking. Home Depot stamping is "ATA"
8	3/8" diameter flat washer	Around 1" O.D.
4	3/8" nylon locking nut	

Note: If you are building more than one set, you can obtain the washer/lock washer/nut hardware (not flat washer) bundled together and save some money.

#### Document Revision History

10/10/2012	Fixed incorrect eye bolt length. Was 3", way too short.
